To our Current and Potential Sponsors,

WYCO 307 is entering its eighth year as a competitive youth fastpitch softball program. Our Cheyenne-based non-profit organization is offering your business an opportunity to help promote youth sports in your community.

Our 2026 season was a memorable one, filled with tremendous growth, hard-fought games, and lasting friendships. Our young WYCO Reivers 10U team, coached by Leann Stover, gained valuable experience and showed remarkable improvement throughout the season. The 12U Raiders team, coached by Cristin Green, and our WYCO Post 6 16U team, coached by Maria Kelly and Carrie Barker, posted winning records and both teams battled through the 100° heat in Gillette during the Wyoming USSSA State Tournament, falling just short of victory in the championship game. Our 14U WYCO team, coached by Heather Kammerman, ended their season on a high note by winning the silver bracket state championship.

Entering the 2027 season, our WYCO 307 Softball program is excited to be fielding five teams ranging from 10U to 18U. We are extremely proud of these young ladies, our new and returning volunteer coaches, and the trajectory of our program. It takes a great deal of volunteer time and money to field these teams. Expenses include uniforms, equipment, league tournament entry fees, insurance, umpires, and winter practice facility rentals. The community's support continues to be tremendous, and our corporate and small business sponsorships are a key element in our success.
