To our Current and Potential Sponsors,

WYCO BASEBALL welcomes you to the 2026-2027 season! We are gearing up for another season of great baseball and we are hoping we can count on your support.

Our corporate sponsors have been a key element in helping us achieve tremendously successful seasons over the past several years. This past season our traveling teams composed of players ages 8-18 were able develop skills that benefited them on and off the field. The support of our sponsors played a significant role in allowing 9 teams to play over 350 games of competitive baseball and represent the city of Cheyenne in several different states.

This year, our competitive teams made up of over 150 players who will each play 35 to 70 baseball games between league and tournaments from the ages of 8u - 18u. It takes a great deal of volunteer time and money to field each team including expenses such as uniforms, insurance, equipment, league fees, umpire fees, and field improvements. Our Cheyenne based nonprofit organization is offering your business an opportunity to help promote youth sports in your community. **We have established the following sponsorship levels to help promote your business:**
